Athlete Bio

I started playing rugby when I was 5 years old when my family was living in Hong Kong. In Hong Kong there is quite a rugby following due to the 7's event there every year and my first memory of rugby is being presented a medal by Fijian 7's great Serevi. Once I moved back to Sydney I played my junior rugby for the Mosman Whales before moving to play for the Manly Roos. I attended school at St Aloysius College.

Currently I have 30 state caps for NSW including 29 Super Rugby games and playing against the British and Irish Lions. As of 2014 I will be moving down to follow opportunities with the Melbourne Rebels. My goal in rugby is simple - to play for the Wallabies as many of my Sydney University teammates already are doing or have done. I love playing for Sydney Uni – it has taught me so much that the professional environment simply cannot; loyalty, mateship etc.

I'm currently studying a Bachelor of Commerce and Laws, having originally started doing Commerce Engineering and then transferring. I am confident I have now found the correct career path for me and with the support of the Elite Athlete Team in Anika, Libby and Leonie intend to finish my Commerce degree this semester and then continue to peruse post-graduate Law down in Melbourne.
